DeGRAFF SCHOOL'S
COLORS: Red and Blue
NICKNAME: Pirates
YEARBOOK: Pirate's Log

For many years DeGraff had been striving for education and long before school buildings were built DeGraff had educational classes. Students were usually taught in some vacant room or home.

The DeGraff Special District was formed in 1856 and a frame building was constructed in 1864 followed by a 4-room brick structure 3 years later (1866-67). In 1877-78, it was necessary to build a 6-room brick building on the corner of Boggs and Miami St. where the Kenneth Fuson home now stands. The school was called DeGraff Union School. The 1st graduating class was in 1876 (100 years ago) and consisted of 3 students. By the summer of 1890 a 2-room addition was made.

A state law was passed in 1916 centralizing all schools, so country children had to come to the town school. As a result a bigger school was needed and was built in DeGraff in 1921-22. This building is presently the oldest part of the now Riverside High School.

In 1939, an addition on the north end was made for a music room (now the art room). By 1952, a much needed addition was added to the west side of the original building and included a cafeteria and kitchen, gym, office, rest rooms, and science room. After the addition, the old gym was filled in for a bigger music room (now the industrial arts) in 1956.

With the push from the state, consolidation took place between DeGraff and Quincy and Riverside Local School District was formed in 1960. The 7th through the 12th grades presently are going to school in the DeGraff building. By 1966, an addition was made to include the gym balcony; the new south wing (typing room, office, home ec., science rooms, radio, and language lab); music room; and vo-ag. machine shop.

QUINCY SCHOOL BUSES
— 1933

The record of the oldest school system in Quincy dates back to the 1800's. The first school was called the Quincy Union School and was located in the vicinity of the Don Wohlgamuth home on Walnut St. The structure was erected in 1865 and was a frame building, consisting of one-room up and one-room down.

On April 8, 1867, the school board began to organize and more classes and teachers were added to the system — some teachers having to locate their own room — providing the board would furnish fuel and stove to heat the room.

The school progressed and it was seen that a new school building was needed. On Jan. 2, 1872, the board purchased a lot on Canby St. south of the old school. On June, 1872, a big tornado went through the entire town, but the 1st brick building was erected and completed in 1876-77 (100 yrs. ago). This is presently the oldest part of the now Riverside Elementary.

By the 1920's, the school was in need of additional space and it was decided to enlarge the building on the west side to include several new rooms and an auditorium which would also serve as a gymnasium. (Completed in 1923)

In 1956, 6 additional elementary class rooms were added to the north end of the building.

In 1960, the push for consolidation went through and DeGraff and Quincy Schools made a new district named Riverside (named that mainly because both towns were situated beside the Miami River). The kindergarten through the 6th grades are presently going to the Quincy building. At this time, 6 more elementary class rooms were added to the north end of the last addition.

One side note —

Quincy Alumni's smallest class —
1 student (1909)

Quincy Alumni's largest class —
22 students (1938 and 1940)

As of this year (1976), there are 475 students and 30 employees at the Elementary. Ronald Furrow, a Quincy native and a graduate of the 1st Riverside graduating class 1961), is the present Riverside Elementary principal.

ADMINISTRATION

MR. PHILLIP L. TROUT
SUPERINTENDENT

MR. JAMES A. GROVE
PRINCIPAL

The men on this page are no ordinary creatures. They advise, rule, counsel, tyrannize, laugh, discuss, and control — just like ordinary people. With a difference — they are qualified to administrate.

Mr. Phillip Trout, our superintendent, has been in the educational field for 11 1/2 yrs. During this time, he taught for a semester and was elementary principal for 4 years at Quincy. So far he has served the last 7 years as superintendent here at Riverside. Mr. Trout received his Bachelor of Science from Rio Grande College and his Master's from Xavier University, Cincinnati.

Another much talked about figure around school is our principal, Mr. James Grove, who has been in education for 13 yrs. Seven of these were spent teaching and coaching in Miller City (New Cleveland), 3 teaching and coaching in Springfield, and the last 3 as our principal. Mr. Grove received his Bachelor of Science from Ashland College and his Master's at Bowling Green State University, with additional work at Wright State University.

Need a word of encouragement? Mr. O. Jack Brandt is the one to see. He has had experience in many areas of education. He taught for a total of 7 yrs. at Cleveland, Reynoldsburg, and Strasburg, Ohio; and was principal for 4 yrs. at Strasburg. His life here at Riverside has been busy with 2 yrs. spent as principal and the last 3 yrs. as our guidance counselor and Jr. Hi basketball coach. Mr. Brandt received his Bachelor of Science Degree from Ohio State University and his Master's from Xavier University.

The Spirit of '76

Make way for us; here we come.
We're the future — America's young.
Don't criticize or mock our youth;
Just like you, we search for truth.

Hypocrises won't get us down;
We will strike where these abound.
There's much to do; we're needed here.
To help preserve what men hold dear.

We'll work with others hand-in-hand,
To try to help our fellow man.
In this land our fathers made.
We stand together unafraid.

Give us room; let us by.
The youth of America have arrived.
There's nothing wrong that we can't fix
We're the Spirit of '76!

NORWEGIAN
EXCHANGE STUDENT

Our exchange student this year is from Norway. Her name is Tone Kjefsoy and she was born March 19, 1959. Tone has blonde hair and blue eyes. Her favorite hobbies are swimming, horseback riding, and running around. She is an only child and her parents both work for the Norwegian Navy.

In Norway, students go to school only 9 years instead of 12 years; so Tone has finished her high school education. She speaks three languages — Norwegian, English, and German.

She resides with Mrs. Ruth Stahler, RR #1, DeGraff.

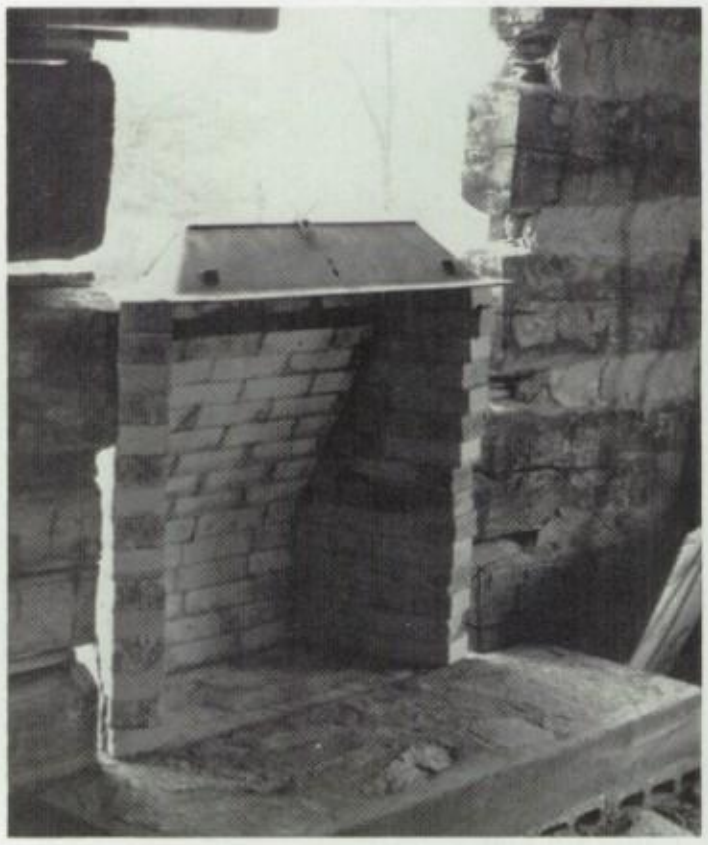
SECOND ANNUAL PIONEER

Home-Sweet-Home



Daryl Cordrey's pride and joy.

RIVERSIDE SCHOOLS' FARM

The farm was purchased in 1974 from Mrs. Amy Hamer who lived there most of her 83 years.

The fifty acre farm, which benefits the Riverside School Community, was purchased by a local, non-profit corporation formed by four Riverside individuals. The non-profit corporation was established solely for educational purposes.

On the farm is a 119 year old log cabin which was purchased from Bellefontaine. Approximately 35 students worked during 1974 Thanksgiving Vacation to dismantle and move the log cabin to the farm.

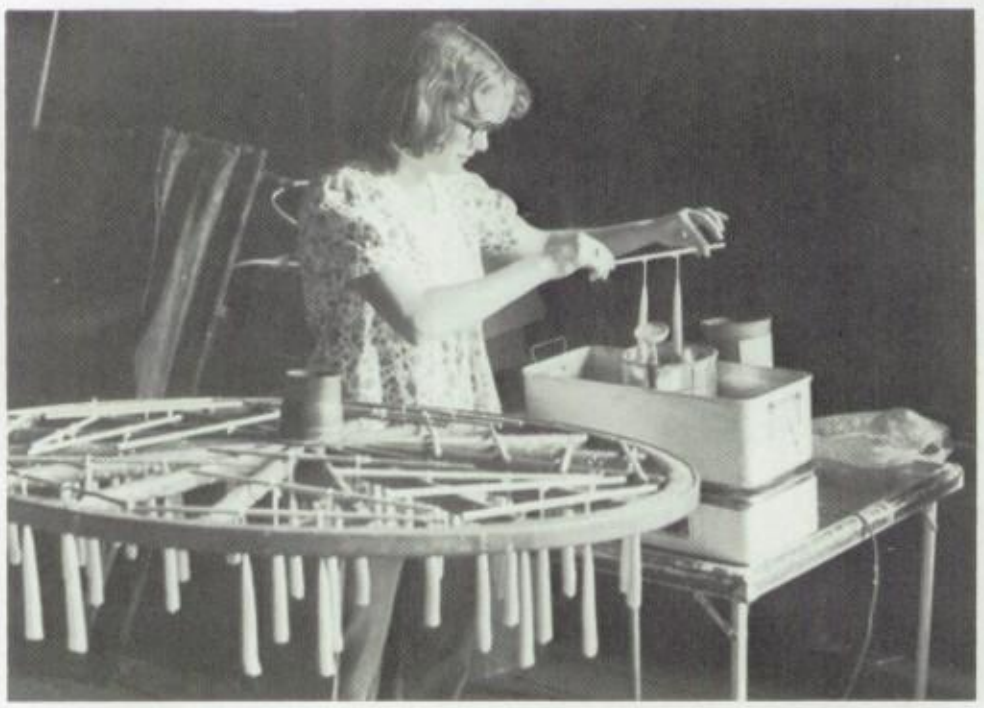
Conservation practices; crop rotations; test plots for seeds, fertilizer, and tillage practices; and livestock programs are areas of study and work for the Vocational Agriculture and FFA.

Displays of candle dipping, soap making, cider pressing, corn shelling and cracking, quilt making, crocheting, knitting, and spinning were observed on Pioneer Day. Also, a large beef was raised on the farm and butchered as part of the events of the day.

The Riverside Schools' Farm is a pioneer effort in education to help students assume responsibility in working out solutions for very practical problems, to have the feeling of satisfaction for a job well done; and to become aware, to be more knowledgeable, and committed to a better quality of life.

Bet it won't float!

The winner is —



100 watts of electricity.

Athletics

ace bandages and pulled muscles - late practice, early practice, - "one more lap around the field" - sweat running down aching backs - "ten more push-ups and we'll call it a day" - and then, the first game - feeling a few butterflies - watching the cheerleaders go crazy on the sidelines - off the bench at last - just turn us loose! - singing the national anthem - last minute instructions from the coach - now go! ---

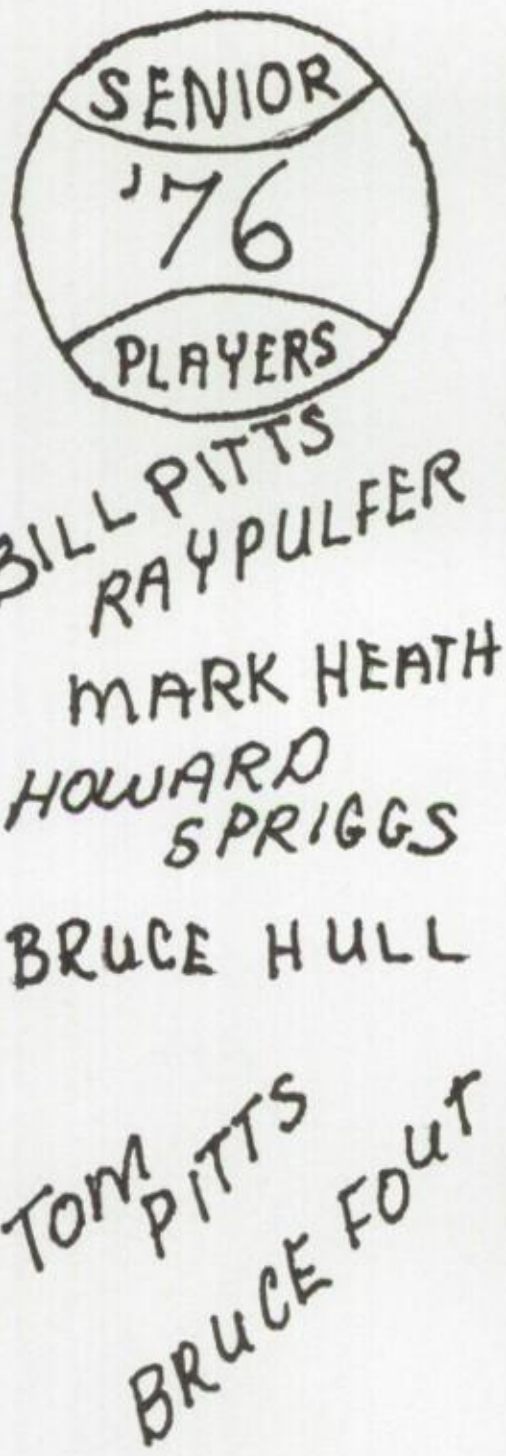
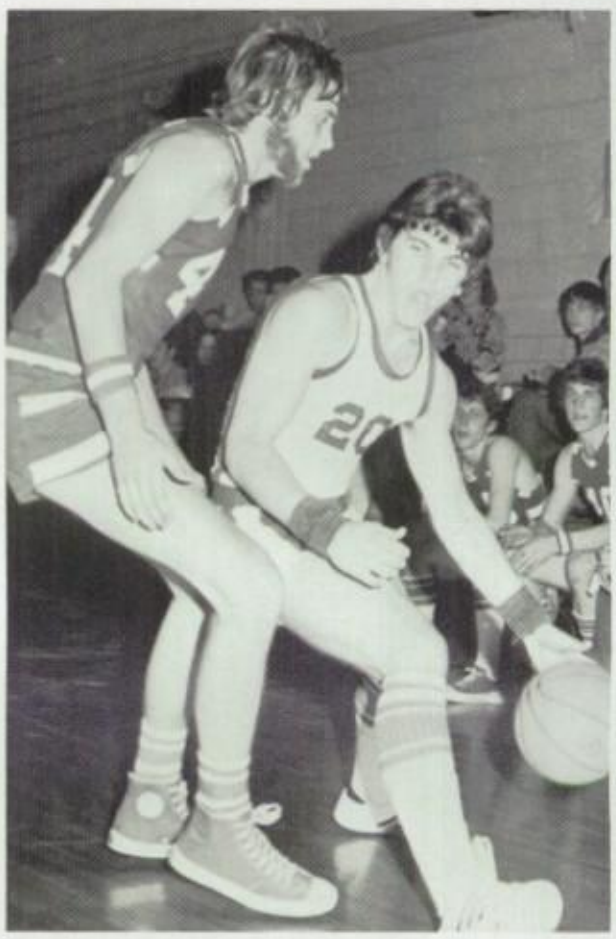
VARSITY BASKETBALL

One word which describes our Varsity Basketball team — is — ENTHUSIASM! Our boys pulled together — and learned the great importance of teamwork with the help of Coach Dearwester. They didn't always agree or even get along — nevertheless, we had some great accomplishments. Senior Bill Pitts was the top scorer in the WCOC for the year. We placed 3rd in the Holiday Tourneys at Indian Lake. Through all the trials and troubles the year brought, our team and school had the good ole Pirate Spirit.

VARSITY BASKETBALL
L to R — Tom Pitts, Dan Edwards, Howard Spriggs, Mark Heath, Duane Stewart, Daryl Cordrey, Bruce Hull, Bill Pitts, Bruce Fout, Scott Jessee, Ray Pulfer. *Kneeling — L to R* — Managers — Tony Vonderhuevel, John Pellman, Coach Jim Dearwester, Manager — Gary Strasser.





JUNIOR VARSITY BASKETBALL

RESERVE BASKETBALL

L to R — Manager Jeff Foster, Keith Strayer, Chuck Leese, Rick Kizer, Jeff Caudill, Harry Sprague, Vince Elliot, Chuck Gamble, Bruce Bowling, Glen Kreglow, Butch Miles, Greg Wick, Barry O'Grady, Coach Dave Campbell.

JUNIOR VARSITY COMMENTS

This has been an inspiring year for our 75-76 Reserve Team. They finished with a record of 7 wins and 11 losses. Coach Campbell had the spirit and enthusiasm that led the team through a good season. They were an exciting team to watch with many games being won or lost by a small margin. They played well together as a team. With hard work, they should move up and lead the Varsity to many victories in the forthcoming year.

We are very proud of our boys and wish them luck in the future. Good Luck, Boys!

CHECK 'EM OUT

Anticipation! Excitement! The memories come back in a rush of emotion. Cheering always had a touch of something that is hard to define. Maybe it was being part of a team, yet using individual skills, too.

Pep rallies were planned and performed, and they were usually well-appreciated. There was much rivalry between the classes for the spirit stick, which kept them yelling their lungs out at the pep rallies.

Even though the cheering was fun, it was hard work, too. The reserve and varsity basketball cheerleaders spent one week at a cheerleading camp at Wittenburg learning new cheers and better techniques. Their hard work paid off when they did a good job for the 1975-1976 season.

"If you can dream — and not make dreams your master;
If you can think —
And not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up
With worn out tools;"
If you can accomplish all you set out to do —
Then you have fulfilled
The promise of your past.

There have been many of those — that have reached these goals — on my annual staff. They will never know how much I appreciate their help and company. Foremost I want to thank Mrs. LaDonna Heath. She led us into triumph and away from disaster. A special thanks to Mr. Howard Rose who encouraged and cheered us through dark hours.

Denise Weiskittle, Editor '76

ALL RIGHT!! It's a fight!

C'mon, Mom!

Are you kidding?

Pickin' and grinin'

OOOH!

YEAH!

I FIGURED!
